

Happy Follies season - we're so excited to welcome you back once again!

As you may have noticed, we here at Touchstone have been doing our best to make our audience experience as safe as possible. For our programming since March of 2020, this has meant streaming to you to join our audience from home, presenting our work for you outdoors, and everything in-between.

While things are different compared to 2019's season (the last time we were all together in this space), we're excited to have you back in the house once again for *Christmas City Follies XXII*.

In order to keep our performers and audiences safe, and to allow us to continue welcoming audiences in this season, please carefully read the following for what we're doing and what we're asking of you:

TOUCHSTONE
T H E A T R E

- First, please take note of a few changes we've made specifically for *Follies*:
 - We've suspended seating in the first row in order to keep a safer distance between our unmasked, vaccinated performers and our masked patrons.
 - Patrons will be able to choose seats at the time of purchase rather than the usual general admission seating.
 - The show will run 90-minutes with no intermission, rather than the typical two acts.
 - We'll be using our cafe space as the box office, rather than the box office in the lobby, to allow for more physical distancing.
 - The surfaces in our space are cleaned/disinfected more rigorously.
 - We've upgraded our HVAC system to be able to continually recycle air from outdoors into and back out of the indoor space.
 - And finally, all of our performers, crew, and staff are fully vaccinated.
- When you arrive, be ready to provide a photo ID and proof-of-vaccination card *or* a negative COVID-test dated no more than three days prior to the performance before joining us in the theatre (for all patrons age 12 and older). Patrons under the age 12 do not need to provide a proof-of-vaccination card or negative test, but must be accompanied by a fully vaccinated adult.
- Be sure to wear a CDC-approved mask or facial covering the entire time you're in the building. You can find guidance regarding acceptable facial coverings [here](#). Our staff and crew will be wearing masks; our performers will not be wearing masks during the performance.
- ***Please do not attend a performance if you are not feeling well and have not yet been tested for COVID-19 and received a negative result.*** Refunds will be available for patrons who are unable to attend for this reason. *Also - you have the option to donate your tickets as a tax-deductible contribution!* For cancellations, please call (610) 867-1689 as early as reasonably possible, to allow the box office to adjust accordingly.

An important note: Regardless of any and all possible safety precautions, there is an inherent risk of exposure to COVID-19 anytime we join others in a public space. By purchasing a ticket to this event and subsequently attending, you acknowledge that this risk exists, including in our space, and voluntarily assume all risks related to this possible exposure to COVID-19. If you ever feel as though we can improve our safety measures, do not hesitate to contact the Touchstone Theatre staff directly.
